Clinic Directions

Dundas University Health Clinic is conveniently located on the south west corner of Dundas Street West and University Avenue in the Air Miles building, downtown Toronto, Ontario, Canada...

Just down the street from the University of Toronto, Mt. Sinai, Toronto General, and Sick Kids hospitals in the Toronto Discovery District.

Dundas University Health Clinic has direct in-building access to St. Patrick subway station.

Please note: Directions described below are for information purposes only. Please remember to verify your travel needs beforehand to avoid any difficulties.

TTC Subway [Subway schedule](#) [Subway PDF map](#)

Coming from the North:

- Take the Spadina-University line straight down to St. Patrick station...OR
- Take the Yonge line to Bloor station and transfer westbound on the Bloor line to St. George station. Then transfer southbound on the University line and exit at St. Patrick station...OR
- Alternatively, take the Yonge line down and around the Union

station loop and back up to St. Patrick station if you don't want to transfer trains.

Coming from the East or West:

- Simply transfer southbound at St. George station on the University line and exit at St. Patrick station.

Coming from the South:

- If coming from Union station go northbound on the University line to St. Patrick station.

Exiting the station: Once arriving at St. Patrick station simply exit the turnstiles and turn right towards the exit. Then turn left down the long corridor under Dundas Street that leads to the First Century Tower building entrance and Dundas University Health Clinic.

TTC Streetcar and Bus [schedule PDF map](#)

Please use the links above to determine which TTC service is best to get you to Dundas Street West and University Avenue.

Please call 416.393.INFO (4636) or visit

<http://www.city.toronto.on.ca/ttc/schedules/index.htm> for more information.

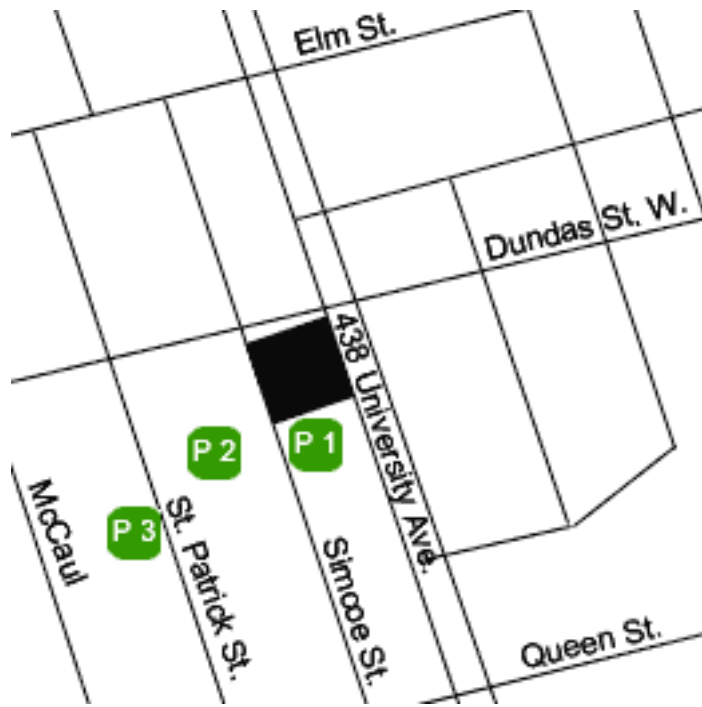

GO Train: [GO transit web site](#)

Coming into Union Station from any direction:

- Simply exit the GO station towards Union subway station (follow signs) and take the northbound University line to St. Patrick station.

Exiting the station: Once arriving at St. Patrick station simply exit the turnstiles and turn right towards the exit. Then turn left down the long corridor under Dundas Street that leads to the First Century Tower building entrance and Dundas University Health Clinic.

Parking Map and Directions

Street parking can sometimes be found on University Avenue when available at a cost of \$1.50 per half hour.

P1: Lot is located under the First Century Tower building, 438 University Avenue. Parking access is at the rear of the building on Simcoe Street which is a one way running north that has to be accessed by Queen Street. Price is \$3.50 per half hour.

P2: Municipal parking lot spanning between St. Patrick and Simcoe Streets just south of the 52 Division Toronto Police station. St. Patrick Street is a two way that can be accessed in either direction by Queen Street and Dundas Street West. Price is \$1.50 per half hour.

P3: Lot is located on the west side of St. Patrick Street just south and across from P2. Price is \$3.00 per half hour.

Use the PATH Walkway to get to Dundas University Health Clinic at St. Patrick subway station.

[PATH](#) is downtown Toronto's underground walkway linking 27 kilometers of shopping, services and entertainment. Follow PATH and you'll reach your downtown destination easily in weatherproof comfort.

Visit Dundas University Health Clinic without ever going outside from your downtown location. Great for those bad weather days or nasty winter cold snaps. You can find a downloadable [map of the PATH walkway](#) from the City of Toronto web site.

Simply find the nearest subway station via the PATH walkway from your location and travel to St. Patrick station. Then enjoy the clinic's in-building access from the St. Patrick station as described above.

It is very important to Dr. Evans to make access to the clinic as easy as possible. Please call the clinic at 416.598.4999 or [email Dr. Robert Evans](#) if you have any questions about our location or how to find us.
